HONORING THE 100TH ANNIVERSARY OF THE SACRAMENTO CABRILLO CIVIC CLUB

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2015

Mr. COSTA. Mr. Speaker, I rise today with my colleague Ms. MATSUI to celebrate the 100th anniversary of the historic Cabrillo Civic Club in Sacramento, California—an institution that has brought families and communities together since its establishment.

The Spanish mission style building began as the Sutter School in 1915, an elementary school whose students were mostly children of immigrants. Due to the majority of students being of Portuguese descent or children of Japanese farmers, the students of the Sutter School relied heavily on their education to assimilate as Americans. As the school grew in popularity and enrollment increased, two additional wings were added to the building, but eventually closed its doors as a school in 1952.

In 1954, the property was purchased by the current owners, Cabrillo Civic Club Number 5 of Sacramento County. The members of the Cabrillo Civic Clubs of California are dedicated to the civic progress of Californians of Portuguese descent in memory of their compatriot, John Rodrigues Cabrillo, discoverer of California on September 28, 1542. Being third generation Portuguese, I feel strongly that this organization has helped foster the growth of our rich culture and sustained the strong community values we hold.

Today the members continue to be dedicated to community development and involvement in and around every club. Not only is the building available for rent to host events such as weddings, anniversaries, birthdays, reunions, fundraisers, and memorials for the Sacramento County, but the club also promotes scholarships for students of Portuguese descent and better education in campus youth programs. These programs perpetuate the achievements of other Portuguese forefathers in the state of California, just like Cabrillo.

The Club has also been known for many charitable activities, including: blood drives; fund raising for polio and cancer research, and assisting candidates for U.S. citizenship. In addition, they foster a great amount of energy into promoting Portuguese culture through sponsorship of various special events such as Portuguese Immigrant Week and local "Festas Portuguesas." The Cabrillo Civic Club of Sacramento County has done an incredible job for the past 100 years in uniting families of Portuguese descent in a community where public service, education, and culture are valued.

Mr. Speaker, it is with great respect that Ms. MATSUI and I ask our colleagues in the House of Representatives to join us in congratulating

the 100th anniversary of the historic Cabrillo Civic Club in Sacramento, and to wish them many more prosperous years in promoting Portuguese achievements in the state of California.

RECOGNIZING THE 50TH ANNIVERSARY OF PENN STATE FAYETTE, THE EBERLY CAMPUS

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2015

Mr. SHUSTER. Mr. Speaker, I rise today to recognize Penn State Fayette, The Eberly Campus on the occasion of its 50th anniversary.

Since the return of Penn State undergraduate education to southwestern Pennsylvania in 1965, the Fayette campus has grown to encompass about 100 acres and 10 buildings. Penn State Fayette's impressive development is also illustrated by its increased breadth and depth of program offerings, which now includes nine baccalaureate and seven associate degree options. Just as when it first came to the area, Penn State Fayette continues to offer our area students a local option for a globally competitive education.

Additionally, I am proud to highlight those who have made these remarkable advancements possible. While a debt of gratitude is owed to those who have supported Penn State Fayette's continuing progress, like the Eberly Family, the campus's administration and faculty have also played a fundamental role in this success. Unlike many other universities, the faculty at Penn State Fayette serves students as not only teachers but also advisors, enabling students to get a truly worthwhile educational experience.

Walking around the campus today, visitors will notice an atmosphere of unity that has been cultivated by more than 25 student clubs and organizations. In addition to creating this vibrant and dynamic learning environment, the Fayette campus also maintains the Coal and Coke Heritage Center, which pays homage to the area's rich industrial past and represents the hardworking nature of Fayette County citizens, from its students to those who have long since retired.

I am privileged to congratulate Penn State Fayette, The Eberly Campus for 50 years of success, and to thank all who have helped this community continue to grow and prosper.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Lois Hunt for being selected as Ringgold County's 2015 inductee into the Iowa 4-H Hall of Fame.

It has been said that Lois has "green blood" and cherishes the success she sees in Iowa's youth who have participated in 4-H throughout her years of service with the organization.

CONGRATULATING DR. BARBARA IGLEWSKI

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 6, 2015

Mr. REED. Mr. Speaker, I rise today to congratulate Dr. Barbara Iglewski on her induction into the National Women's Hall of Fame. On October 3, Dr. Iglewski and nine other women were honored in Seneca Falls, New York, the birthplace of the women's rights movement.

Dr. Iglewski was chosen for this honor in recognition of her outstanding work in the field of microbiology. Her groundbreaking research led to a landmark scientific discovery about the impact of infectious bacteria on the body's immune system. Her work led to the development of preventative medications that protect humans from several types of infections and diseases.

Dr. Iglewski earned a bachelor's degree in biology from Allegheny College before earning her master's and doctorate degrees in microbiology from Penn State University. She currently holds the distinguished positions of Professor Emeritus of Microbiology and Immunology and Director of International Programs at the University of Rochester Medical Center. In addition, she has previously served as Chair of the Department of Microbiology and Immunology and Vice Provost for Research and Graduate Education. Dr. Iglewski has published over 150 research papers and is recognized by the Institute of Scientific Information as a highly cited scientist.

Equally as impressive is the work Dr. Iglewski has done to create opportunity for women in the fields of science, technology, engineering, and math. As president of the American Society for Microbiology, she helped women advance their careers by obtaining editorial positions at various scientific journals. As the first woman to chair a department at the University of Rochester School of Medicine and Dentistry, she mentored female students and paved the way for female scientists to become leaders in their fields of study.

I commend Dr. Iglewski on this well-deserved recognition. Her induction into the National Women's Hall of Fame cements her place in history alongside Maya Angelou, Susan B. Anthony, Helen Keller, and the many other women whose contributions have had a profoundly positive impact on our country.
